

**A note from the principal, Mrs. Kunz:**

Dear Parents- Thank you for your understanding over the past 3 weeks. As we are nearing the end of the boil order, I am hopeful that we will have good news to share Monday or Tuesday. We have flushed the pipes and the UV system is up and running. We will get the water tested yet again by Will County today and I will get the results over the weekend. . The lucky number is 0. When we score 0 on all four samples, our boil order will be lifted. I can just feel 4 zeros coming our way! Please watch for a note and check out our website.

**GRANDPARENTS DAY**

WOW!! What a huge success! Parents thank you for sharing teacher names and room numbers with the grandparents. Many of them had a good idea of where to find their grandchildren. The parking lots were full, the people were happy and the children were OH so excited for this special day. Thank you Grandparents for sharing your day with us.

**TORNADO DRILLS NEXT WEEK**

We will have our tornado drills next week. With our crazy weather, it is always a good idea to practice this drill at home as well.

us know you are coming so we can prepare an extra meal. Lunch costs \$1.50 a day and milk is \$.30 a day. Send in any amount and we will use it as a debit system.

NOTE: If you receive free/reduced lunch and bring a lunch but pick up a milk, you will be charged \$.30.

**A CHANGE IN PLANS**

There have often been times when we need to change transportation plans for our children. We understand. If you need to make special arrangements, **please call the school by 1:30 in the afternoon** so we can contact the teacher and child in advance of the changes. .
