Dear Parents,

We take the classroom placement of your child very seriously. In an effort to find the best learning environment for your child, we do not take requests for teachers or requests to be with other children.

If you would like to share some information about how your child learns most effectively, please share it on the lines below.

We will be making our placement decisions near the end of the year. Your input is needed in writing by May 1 if you would like us to consider it. No oral conversations will be accepted.

Thank you for your cooperation.

Janice Kunz - Principal

PLACEMENT FOR 2006-07

DUE MAY 1, 2006
